Dear Con,
Hope you have had
fun this year, hope
to see you next year,
hope to have you in
some of my classes
next year. Chuck

Dear Louie,
Since Grammar School
Pie had you for a classmate.
You're a real swell guy, and
if you stay that way you'll
always have many friends.
Love,
Karen
P.S. Remember the volleyball games,
and don't forget about your stitches.

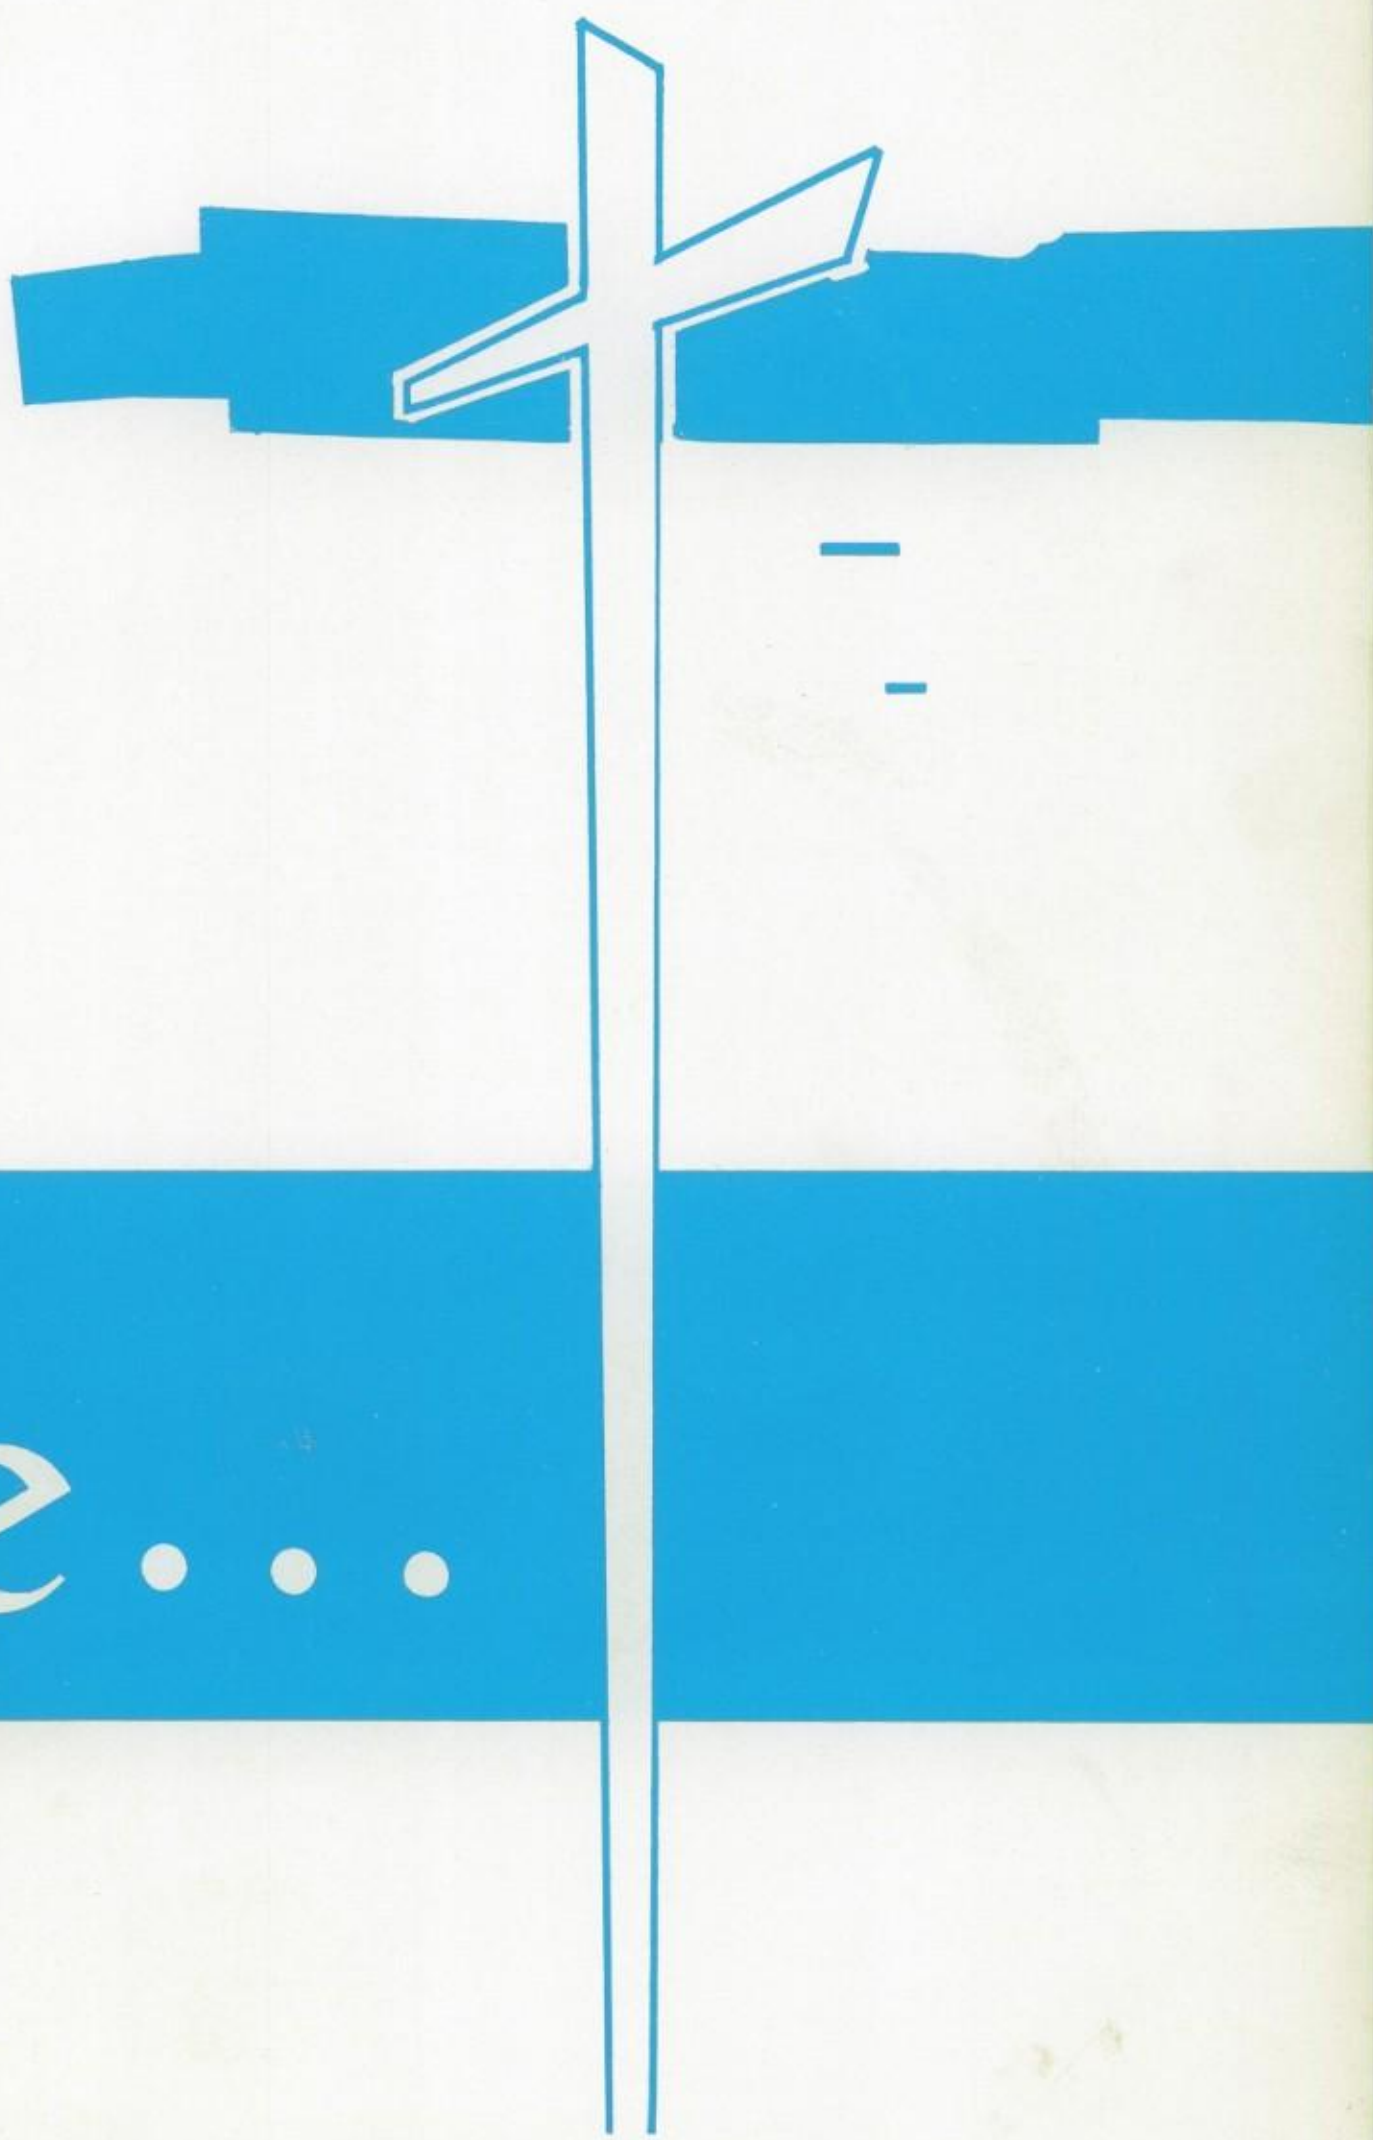

Dear how,
As we look back we remember
many happy days in classes we've had
together... Here's hoping it will continue
together...

We seek

three...

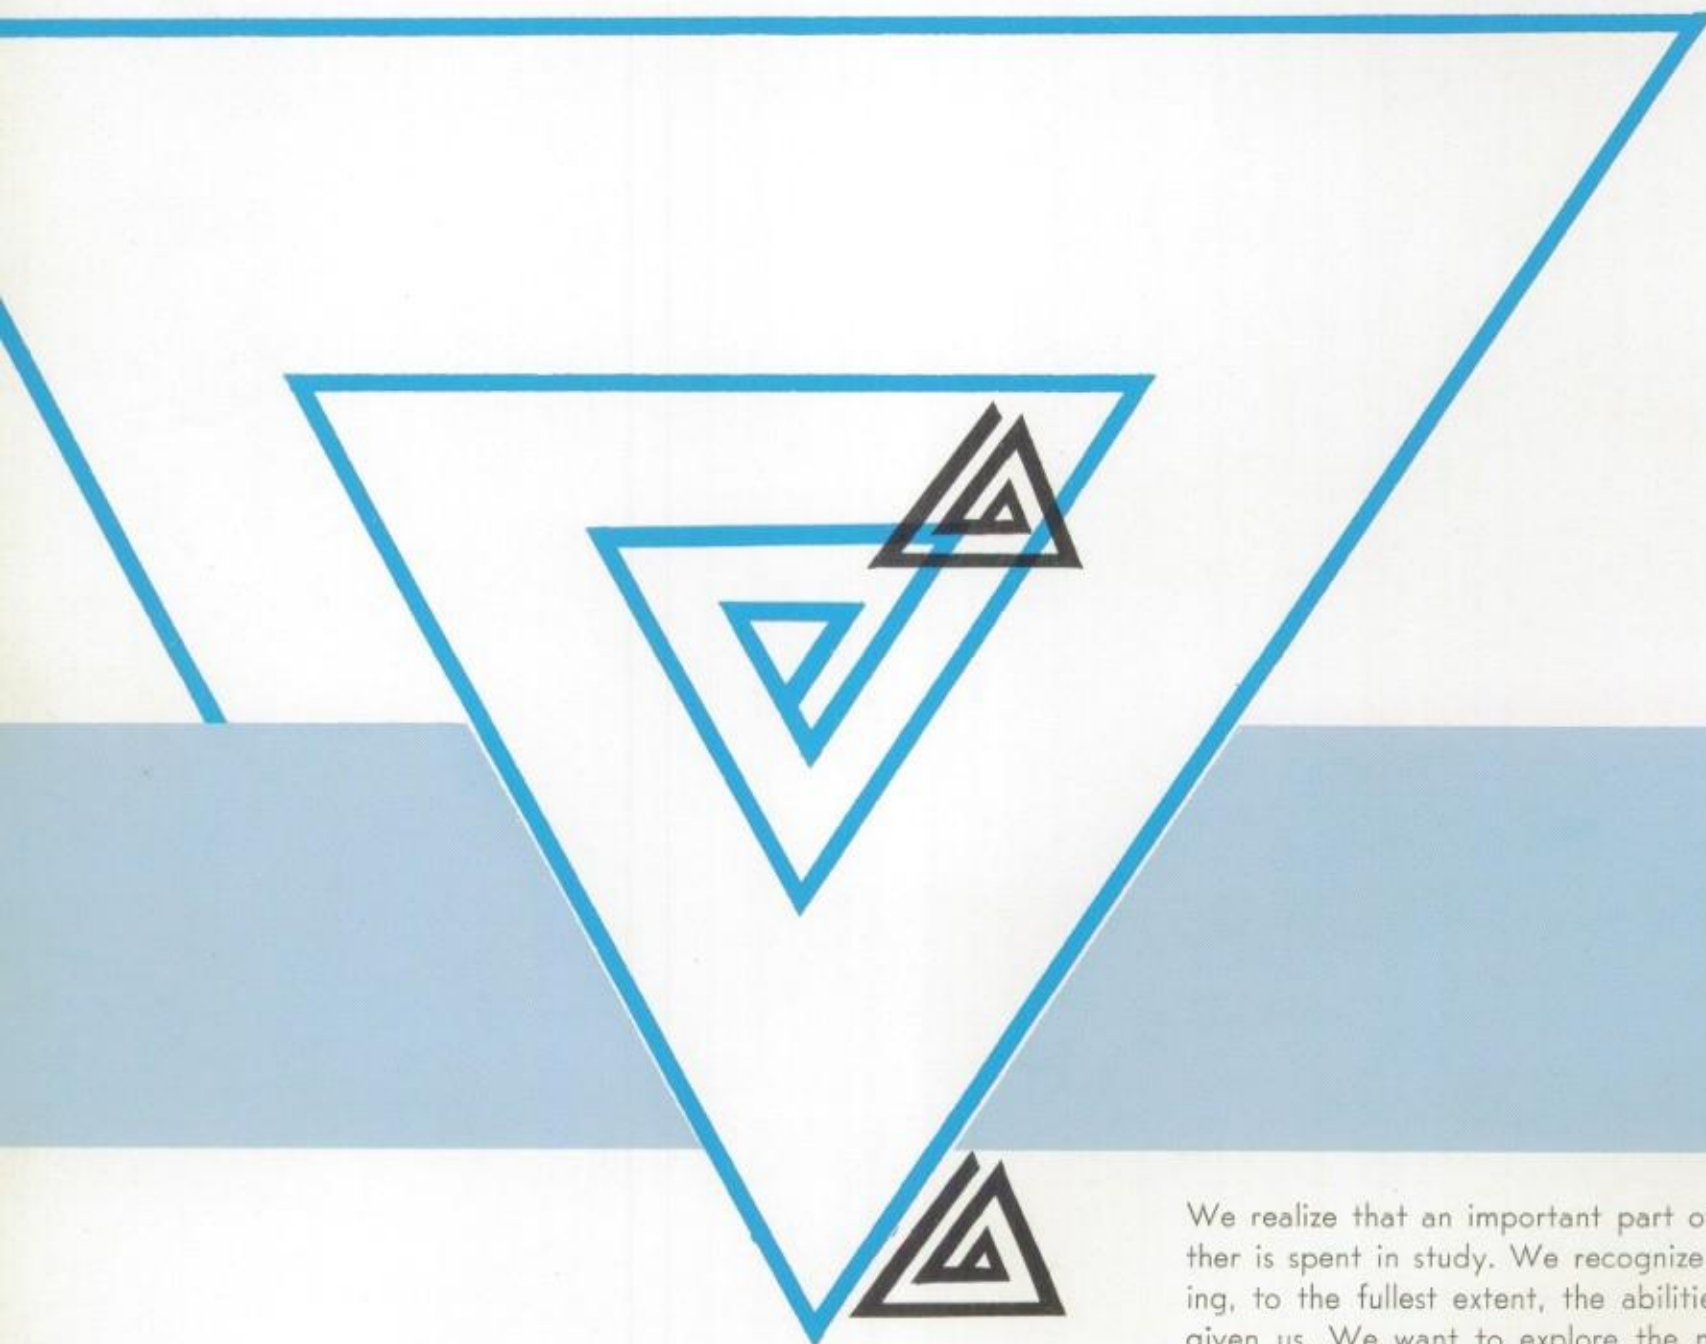

THROUGH DEVOTION . . .

We come together each week as a student body to worship Thee. We hear sermons that serve as guideposts throughout our busy school year and remind us of the Christian atmosphere in which we study. During the week we find inspiration in our daily devotion and in the use of our meditation chapel, where as young Christians, **We Seek Thee Through Devotion.**

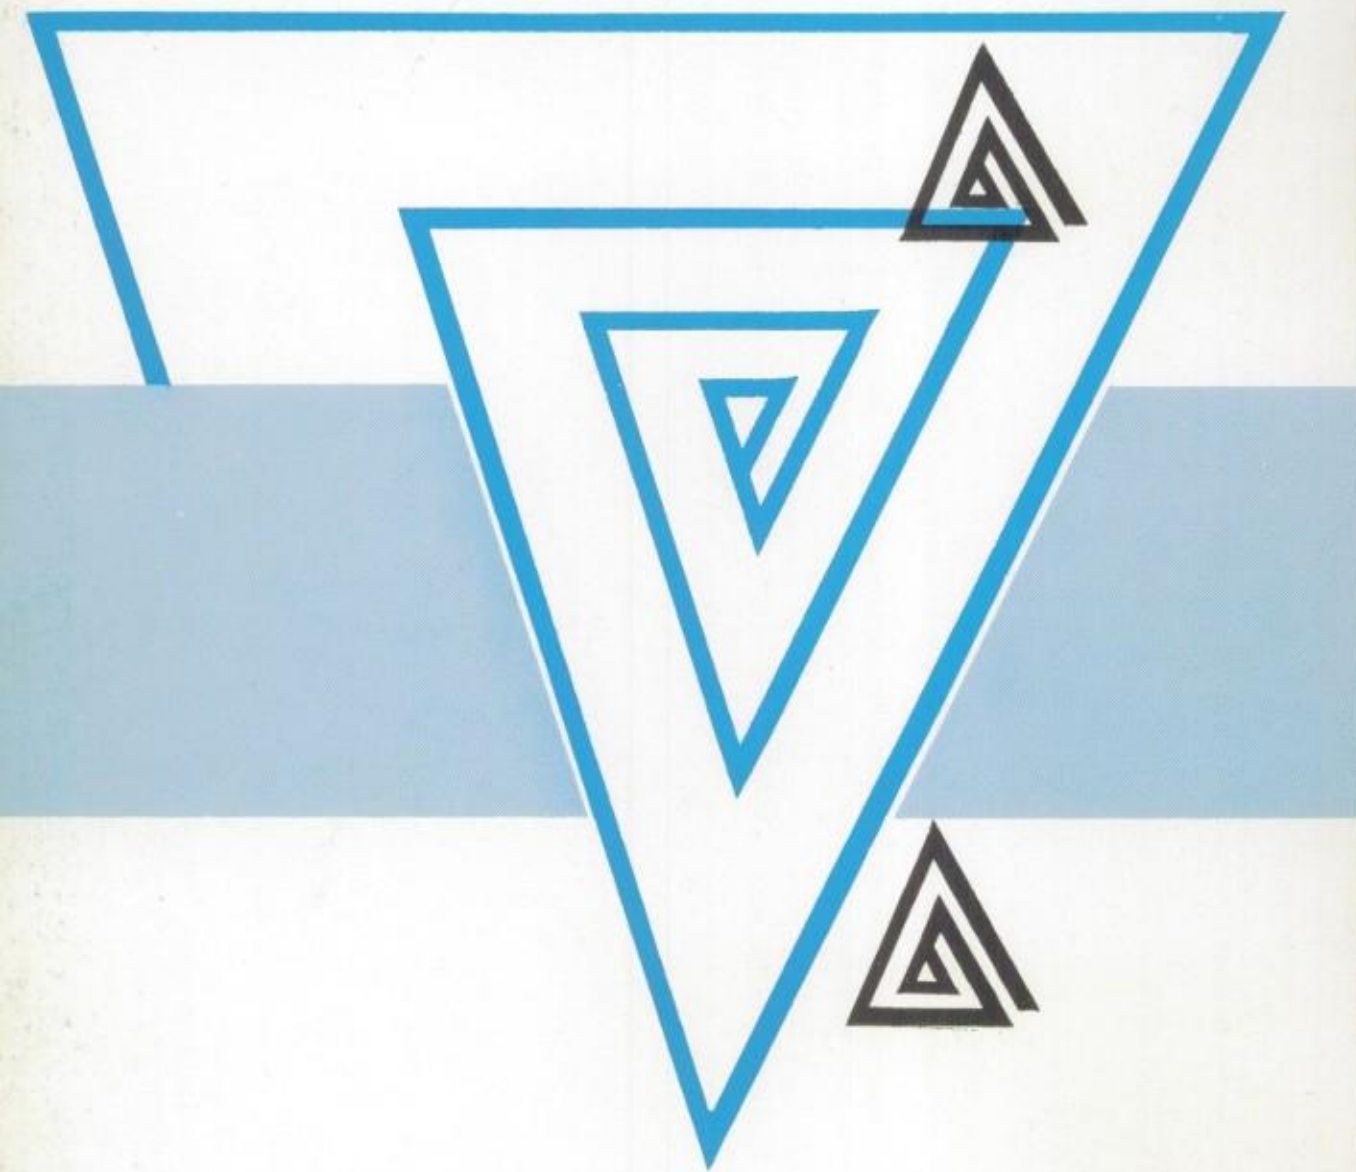

THROUGH STUDY . . .

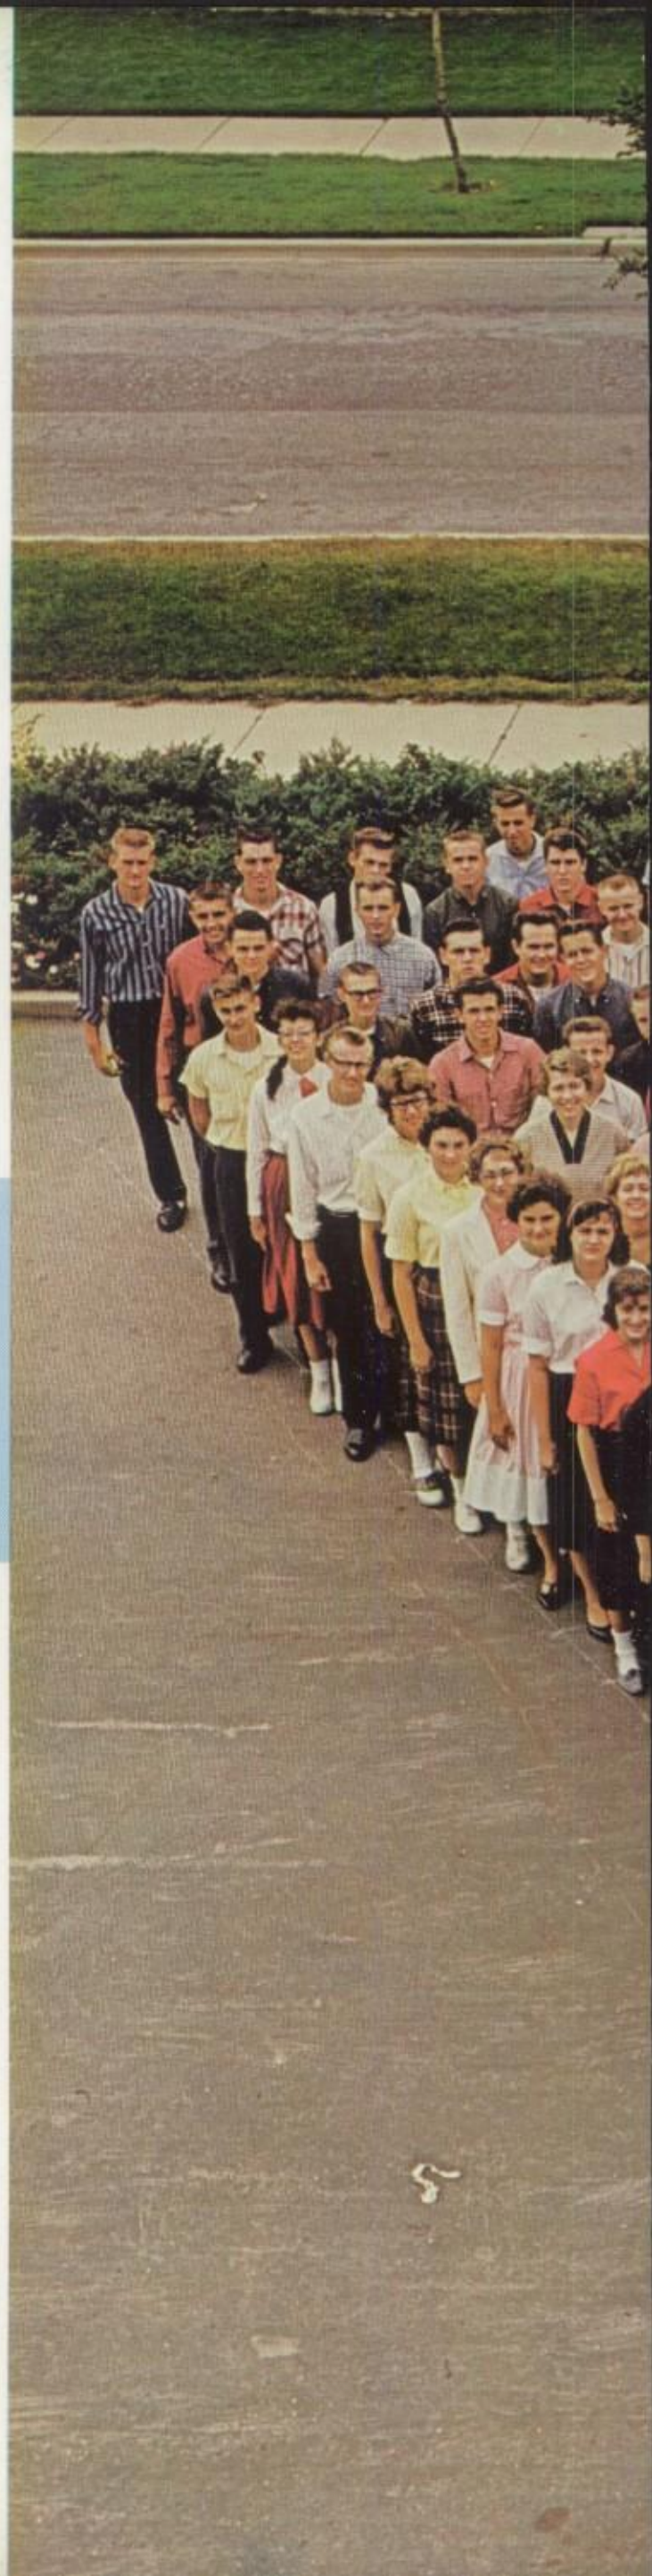

We realize that an important part of our time at Luther is spent in study. We recognize the need for using, to the fullest extent, the abilities that You have given us. We want to explore the magnificent world in which You have placed us. We want to be taught the Christian viewpoint toward society. We have the opportunity to learn more of Thee, as **We Seek Thee Through Study.**

THROUGH FELLOWSHIP

We are aware that a Christian attitude permeates the halls of Luther as a result of our training. This is demonstrated at our games where we display the principles of good sportsmanship. We learn to grow in Christian love through the association that we have with our fellow classmates and teachers, in the participation of school sponsored activities, and in our classes. Yes, we are able to grow in Christian love, as **We Seek Thee Through Fellowship.**

DEDICATION

We, the class of 1960, dedicate our Log to you, **Mr. Martin C. Duensing**. We believe that the dedication should be given to someone who has been highly esteemed by our graduating class. Throughout our four years at Luther we have known you as someone to whom we can bring any of our problems. Whether it was a small, everyday problem that we now look back on with a smile, or an important decision that shaped our future, you always found time to talk it over with us. For all these things we are truly grateful.

"Are you ready for the announcements?"

WE'LL REMEMBER . . .

. . . Miss Mildred Brower, for though many of us have not been aware of the long hours spent in helping our class, we now realize that there is recognition due to you. Much of your time was devoted in our Junior year to make our banquet one of the best. We will always remember the school spirit you have shown towards Luther.

. . . Miss Roxyann Huxhold, for we are aware of the many services that you have rendered our school and especially our class. The Senior Class believes that you deserve this honor, for this is our way of saying "Thank you." You have served as sponsor of the Girls' Service Club, and helped our class by serving as Freshmen Class Sponsor. Your generous ways and pleasing smile will never be forgotten.

. . . Mr. Harold Meier, for we believe that you are truly worthy of this special recognition. We realize all the extra hours that you have worked as Freshman Class Counselor to organize and help plan our schedules. You are responsible for making our years at Luther run smoothly and for preparing us for the future. We want to thank you sincerely for your guidance and inspiration.

. . . Mr. A. J. Tarnoski, for the sparkle that you have put into our four years at Luther will not soon be forgotten. Your chemistry classes have always been informal and we have found it easy to learn your many mottos such as "No zinc in the sink." Your Christian example has been an inspiration to many of us.

Mr. Martin C. Duensing
Principal

SAFELY ANCHORED

Seniors, as you are making preparations for leaving us at Luther North, the activity is thrilling but the thought is sobering. You cannot escape the question, "What next?" You will move out into a world that holds many problems and many challenges for you in its uncertain future.

It is comforting to know that you are "Safely Anchored" to the Rock that is immovable and unchangeable "Jesus Christ the same yesterday, today and forever."

Many facts that you have learned in secular subjects may have to be changed as a result of this changing world. But the one important Truth always remains the same. This is the one certainty you can cling to in this world of uncertainties. "Oh Thou Who changes not, abide with me."

Martin C. Duensing

DEAN OF STUDENTS

This has been the second year of the Student Control Program at Luther North. At the head of this program is Mr. Schroth, who has been known to Lutherites as the Chairman of the Music Department. In his new role as Dean of Students, he is confronted with many problems, most of which are dissolved in his office. They may be social problems which confront an inexperienced Freshman or an "overexperienced" Senior alike. In addition to counseling, Mr. Schroth is in charge of student affairs and student government. In his new role, he helps us over the many stumbling blocks as **We Seek Thee**.

SUPERINTENDENT

This past year Dr. Henry J. Boettcher retired from his position as Superintendent of the Lutheran High School Association of Greater Chicago. The Board found, in Mr. Louis A. Menking, the necessary qualities for the replacement, and so they appointed him to be interim Superintendent. We, at Luther, feel that they made a wise decision in choosing Mr. Menking, even though we know we missed his presence here. We are proud that he served as principal of our school for five years and fulfilled his duties faithfully. Previous to this, he served as a faculty member at Luther Institute. We pray that the Lord will continue to bless his efforts in the extension of His kingdom.

STUDENT COUNCIL

Our governing body consists of the elected members from each class. It is the Student Council which is the hub of the whole system of student government. Their sponsored activities include the Homecoming Show, Christmas decorations, and all-school parties. This year the officers went to Detroit for a Student Council Convention. Making Student Control work effectively is one of their responsibilities.

"I know no safe depository of the ultimate powers of society but the people themselves." Thomas Jefferson.

STUDENT ASSEMBLY

OFFICERS: Mickey Atella, President; Al Paschke, President Protempore; Marlene Schultz, Secretary-Treasurer.

The Student Assembly is composed of representatives from each home room. It is on a larger scale than the Student Council in that it is composed of more members. Its purposes are to give more students a chance to voice their opinions, and to create a better relationship between the faculty and students.

"For just experience tells, in every soil, that those who think must govern those that toil." Goldsmith.

Left to Right: Nancy Nesheim, Lesley Ryden, Mickey Atella, Carolyn Schroth, Al Paschke, Ed Guettler.

STUDENT COURT

The Student Court is made up of the Student Council officers, the president of the four classes, and a representative from the Student Council. These eight students try to assist those students who receive violation slips and further the cause of justice through their decisions.

SENIOR CLASS COUNCIL

The Senior Class Council regulates all the small details that are a part of graduation, including the purchase of announcements and calling-cards. They plan the Junior-Senior Picnic, take care of the Senior Lounge, and help the Student Council co-ordinate the Student Control Program.

TOP ROW; Left to Right: Phil Gieseke, Rosemarie Bank. ROW 4: Anita Forssell, Marlene Jourgensen. ROW 3: Mr. Blecke, Advisor; Jim Zimmerman, Marlene Schultz. ROW 2: Mr. Teschke, Advisor; Al Paschke, President; Dick Schiewe, Vice-President. ROW 1: Mrs. Beckmann, Advisor; Judy Arndt, Secretary; Sue Lund, Treasurer.

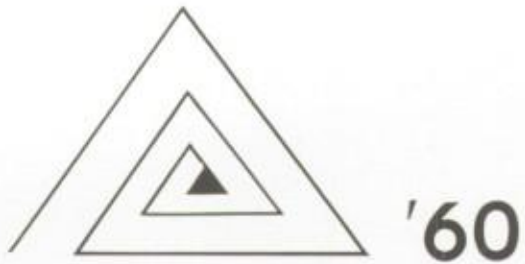

JUNIOR CLASS COUNCIL

The Junior Class Council plans the event that is probably anticipated the most by the upper-classmen — The Junior-Senior Banquet. This planning involves most of the year, during which time they have paper drives and other money-making projects in order to raise funds for the gala affair.

We had thought of telling you of the many deadlines we worked frantically to meet, the secrets that haunted us throughout the year, and the many pleasures that accompanied our work; but we decided to let this book tell you of our year's labor. In writing the 1960 LOG, we believe we have started on a most wonderful journey throughout our lives, as We Seek Him.

BLUE & GOLD

A general air of anticipation can be sensed every other Friday as the students of Luther await their "Blue and Gold." This is our student newspaper, which depicts the life around L. H. N. through pictures, articles, and editorials. This year our two "Karens" have worked as co-editors, under the advisorship of Mr. Parrish, to produce a paper that we are proud to represent us.

GIRLS' CHOIR

All the girls in this choir are an enthusiastic and eager group, ready to discover all the pleasures that music has for them. They have participated in the concerts and regular chapel services as part of L.H.N.'s music program. Direction has been under both Mr. Campbell and Mr. Schroth.

SOPHOMORE CHOIR

The Sophomore Choir has made much progress in the two semesters that they have met as a choir. Their fine work has been shown at our concerts and in Chapel services.

FRESHMAN CHOIR

The Freshmen have just been introduced to Choral Music here at Luther. They have learned the fundamentals of music theory; and as a choir, they performed in the Lenten Concert and Spring Festival.

The Concert Band has displayed its talent at the annual concerts, and have marched in step and formation at our football games. The new, trim, blue and gold uniforms have also contributed to their successful presentations. Much credit is due to Mr. Campbell, who is spending his first year at Luther as Band Director. We certainly have reason to be proud to have such a fine band.

CHAMBER BAND

This group of musicians is known as the Pep Band. They help exemplify the school spirit by providing music at pep assemblies. Their special arrangements at the football and basketball games have cheered our teams on to victory.

BEGINNER'S BAND

Those new students who are just learning how to play their instruments compose the Beginner's Band. They are taught different techniques, and emphasis is put on achieving unification. They look forward to the time when they will be in the more advanced band.

This is a small group of boys from the Concert Band, who give private performances. In addition to their outside work, they have played at numerous gatherings and at pep assemblies throughout the year. Their bright vests and derby hats lend a real "swingin'" air to many an occasion.

The majorettes are a small group of girls who perform at the football games and other occasions that need some pep and sparkle. They lend an air of vivaciousness to our marching band and make half-times more enjoyable.

The Girls' Service Club is just what the name implies. The girls render service to our school and the community. For the school they sponsored two parties and have served at the athletic banquets. They spread the Christmas spirit through caroling and by sending boutonnieres to a hospital and an old people's home. The girls have also aided the community by assisting the Kiwanis Club peanut sale.

Our Frosh-Soph and Junior-Senior Religion Activities Clubs aim to give the students an opportunity to demonstrate their Christian faith and to develop a better understanding of their religion. They sponsor lectures, show films displaying the extensive work being done in the missionary field today, and supply needy families with food for Thanksgiving. May God continue to guide the work of this organization.

That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God. Col. 1:10

Within the Luther North Thespians is a group of students who are especially dedicated to drama. Their efforts are rewarded by being initiated into the National Thespian Society. Privileges for this group include a year's subscription to a dramatic publication and a lifelong membership.

THESPIANS

"God peopled the world with living beings; that was the grand, divine, eternal drama." Charlotte Cushman

The Thespians are the dramatically minded people of our school. They produce several plays throughout the school year along with a number of special productions. Each spring they hold a banquet where the seasons' "hits" can be fondly and proudly recalled. To any dramatic request they respond enthusiastically.

The Pep Club can easily be spotted at a basketball game. They respond enthusiastically to the cheers and create a general atmosphere of anticipation and excitement. Their purpose is to give the team an incentive to win, which is a purpose closely knit with the general school spirit.

"For science . . . like virtue, its own exceeding great reward."

Interest in science is the only pre-requisite for belonging to this club. The members, who are of the junior and senior classes, perform many experiments and give demonstrations in order to widen their scope in the field of science. The Science Fair is one of the club-sponsored activities.

If you enjoy timing the beat of a frog's heart, you should belong to the Biology Club, for this is where God's wonderful creation is studied and explored. The Biology Club gives students the opportunity for study and experience outside of their classroom efforts.

BOWLING CLUB

One of the most popular clubs at Luther is the Bowling Club. Its members are divided into teams and encouraged to bowl to their heart's content. They may not always bowl 300, but they have fun trying. High bowlers for the year are awarded trophies at the end of the school year, but even the low man on the totem pole finds membership in this club enjoyable.

ART CLUB

The Art Club is often the best friend any organization can have. They willingly make posters advertising the latest all-school party, or anything a club would like posted. They find enjoyment in creating; and others find enjoyment in their creations.

OFFICERS: Gerald Krueger, President; Al Burger, Vice-President; Lois Hogenauer, Secretary; Irene Zimmerman, Treasurer.

"All great art is the expression of man's delight in God's work — not his own."
John Ruskin

CRAFT CLUB

The members of this organization learn how to knit, embroider, and perform other skills which involve the use of their hands. They also learn how to be gracious and poised. It is evident that they have fun while they learn.

CAMERA CLUB

The camera club consists of a group of "shutterbugs". They snap pictures at unusual, and often, unexpected times. Learning the art of photography through lectures, field trips, and gaining experience by taking pictures of school activities are a few of their projects.

OFFICERS: Armin Lehning, President; Bob Miller, Vice-President; Bruce Halvorsen, Secretary-Treasurer.

"The price of mastery in any field is through preparation."

"Good wits will jump."
John Byron.

CHESS CLUB

The Chess Club is for those who find recreation in doing something requiring thought. Tournaments are held throughout the year which offer the members the opportunity to display their skills in strategy.

OFFICERS: David Bales, President; Paul Samson, Vice-President; Alan Siebert, Secretary; Jack Wilgus, Treasurer.

EQUESTRIANS

To provide enjoyment for those who like to ride horses is the primary aim of this club. Once a week, fall through spring, this organization spends an enjoyable afternoon, horseback riding. This is the club's first year and has the distinction of being the only outdoor-activity organization at Luther.

"As merry as the day is long."

DRAGGIN' DIPLOMATS

One of the new clubs this year is the "Draggin' Diplomats", otherwise known as the "Car Club". Their purpose is to explore the world of automobiles, with an emphasis on safety, and to share their experiences in this field with others. Their common interests give them a good basis for a club and we wish them much success in the future.

"Give pleasure; lose no chance of giving pleasure."

LIBRARY ASSISTANTS

If you happened to wander into the library during the past year and heard the familiar "shh", you probably discovered that it was one of the library assistants. This group of students devote their free time to working in the library by shelving books, or doing any odd job that needs to be done.

HALLGUARDS

Anyone walking through the halls of Luther this past year during the day would have been questioned by a hall-guard, for it is their job to inspect hall passes. They also run errands and direct visitors to the office.

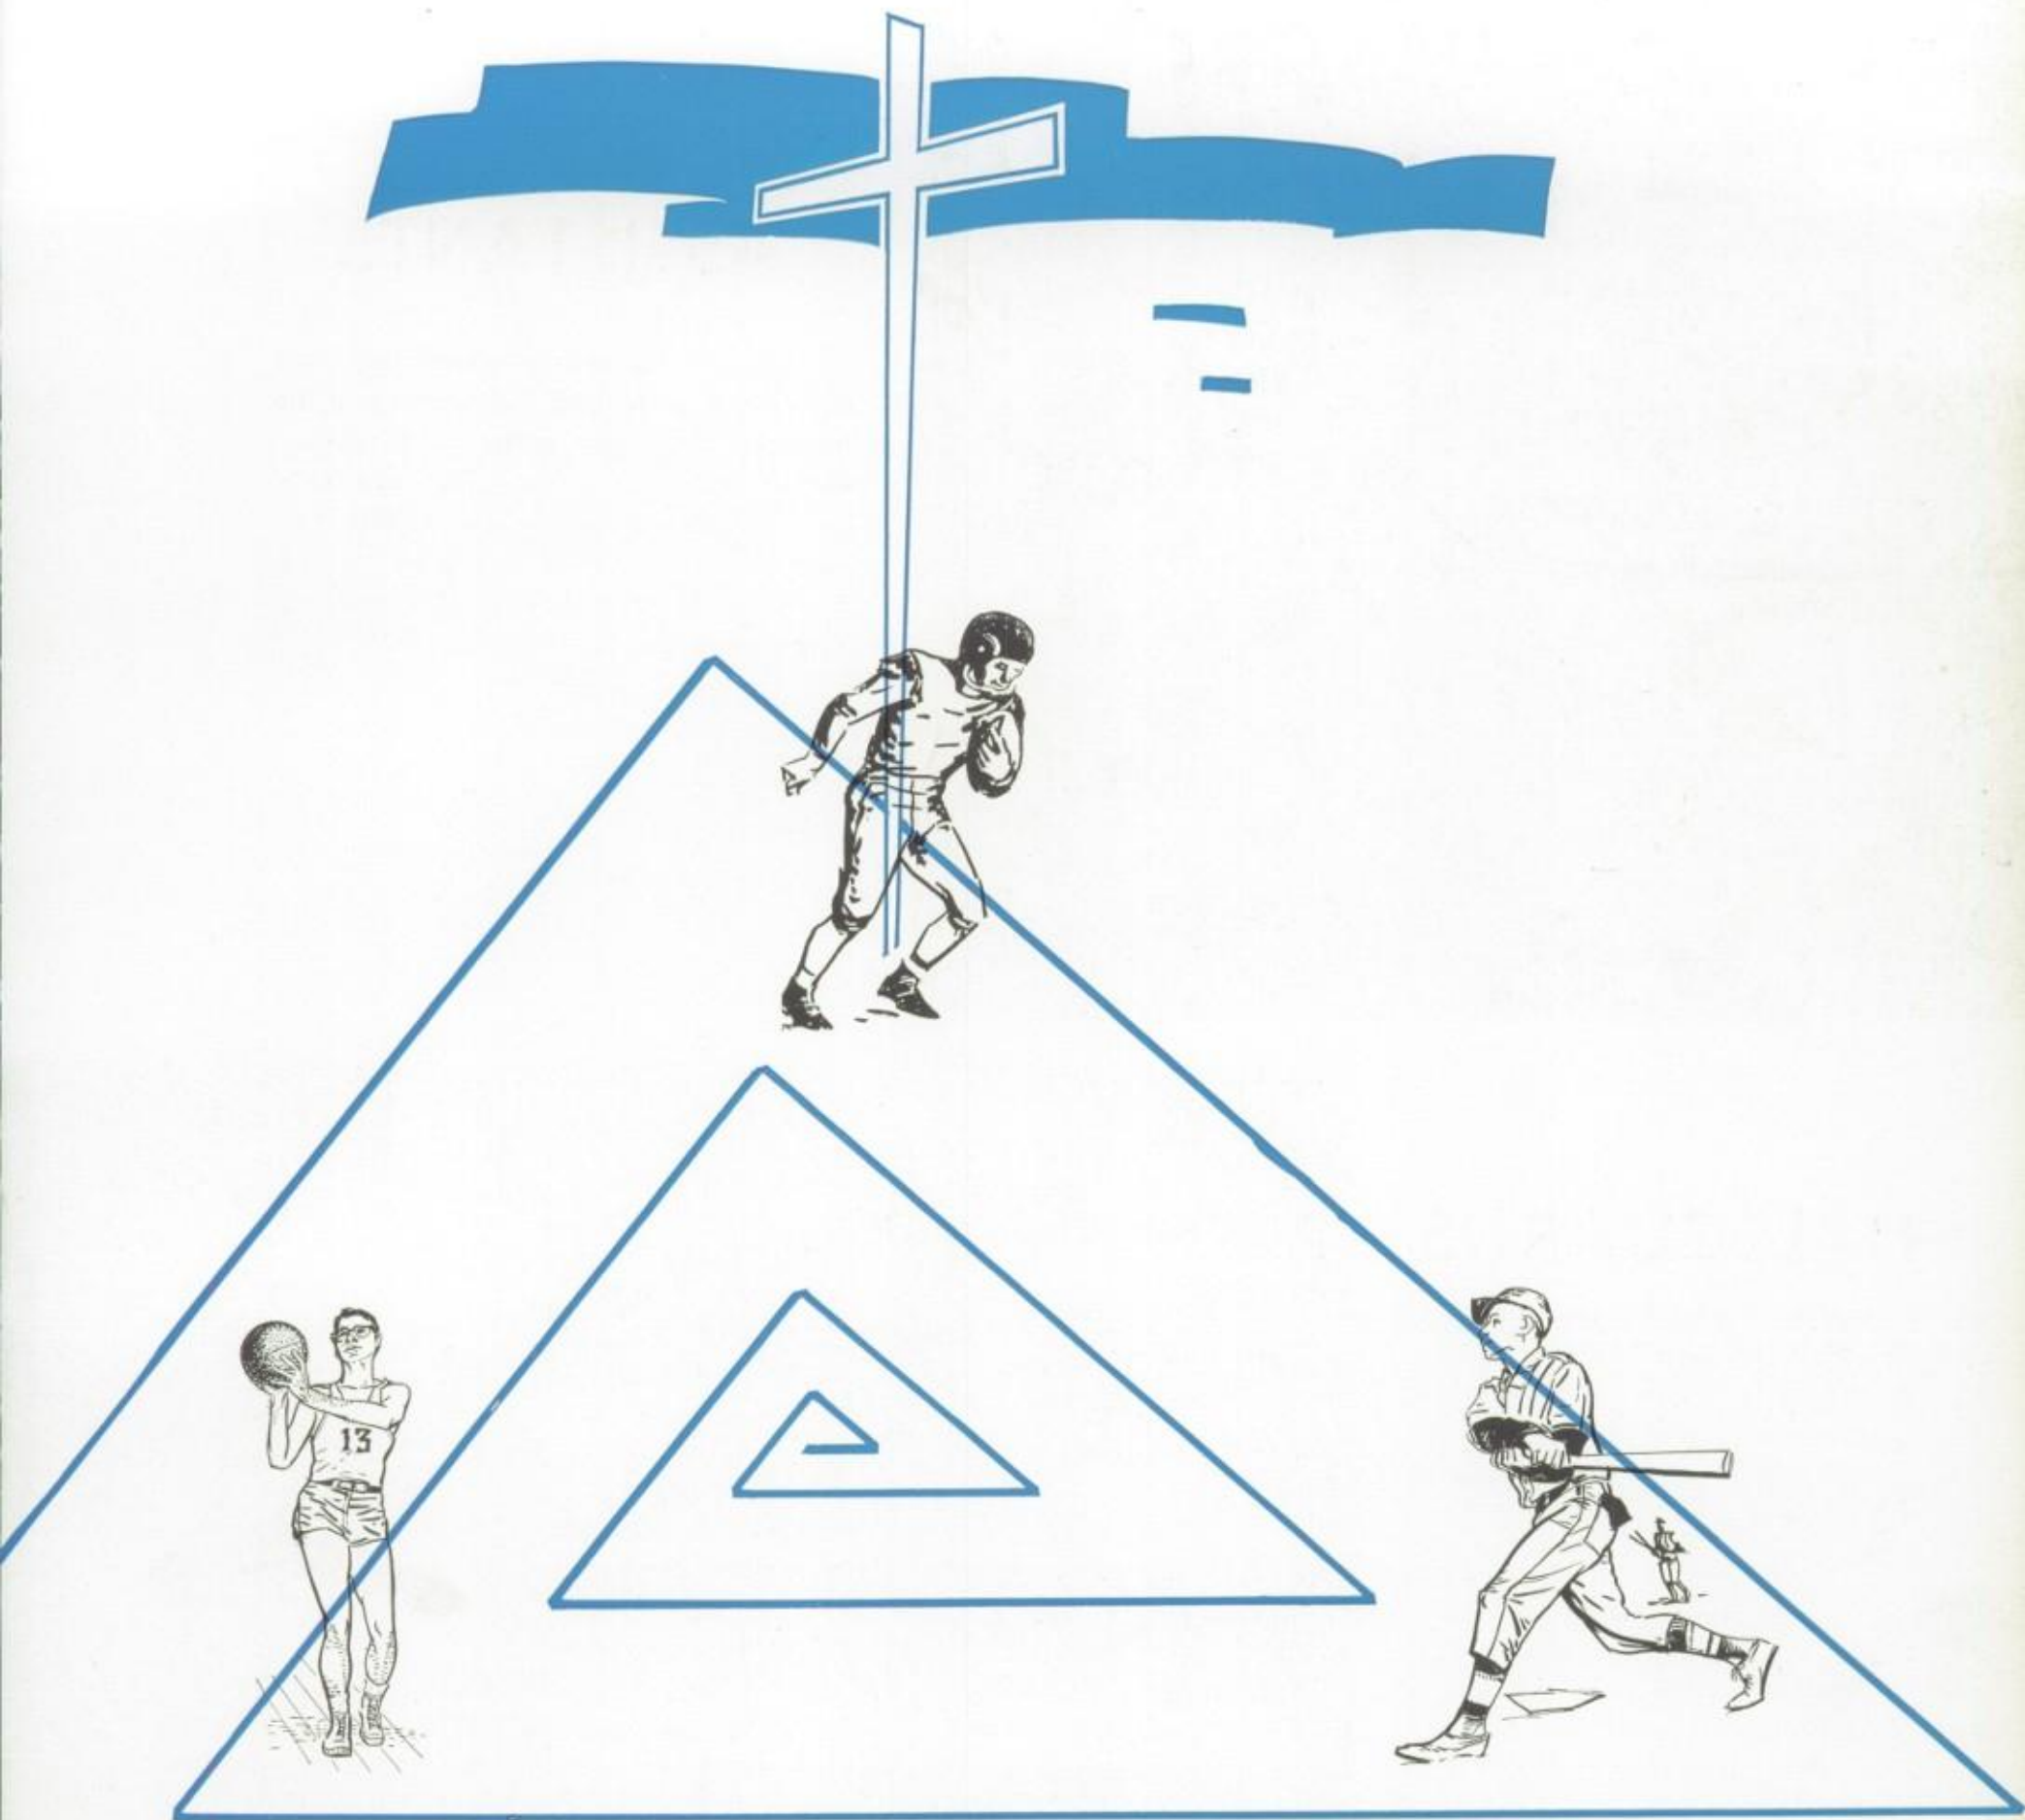

KITCHEN CREW

These people came in quite handy during lunch periods. They sell milk to the students and wash all the dishes. Their help was greatly appreciated by Mrs. Halvorsen and her assistants.

The Wildcats, this year, captured the P.S.L. Championship with a total of six victories and two ties for the season. They scored 197 points in comparison to their opponents' 43. The "Cats" made a total gain of 1,963 yards with an average of 5.5 yards per play.

Don Fritz received the award of "Most Valuable Player" and broke several other records. For the season in rushing, Don carried the ball 80 times and gained 706 yards, breaking Art Filip's record of 500 yards, established in 1956. Don's average gain was 8.8 yards. During the game against Walther, he broke the one-game record for rushing, held by Dick Calhoun, by carrying the ball 10 times and gaining 167 yards. Dick had carried 17 times with a gain of 162 yards in the game against Milwaukee in 1958. Don Fritz was also high scorer, with a total of 68 points, thereby breaking a record of 48 points made by Dick Calhoun in 1958.

Several of the boys on the team were elected to the All-Star Team. Those who made first string were Don Fritz, Jim Dau, Bob Rogalski, and Dale Schumacher; Jerry Heidlauf and Dick Calhoun made the second team; and Marty Kolar and Dave Brainard received honorable mention.

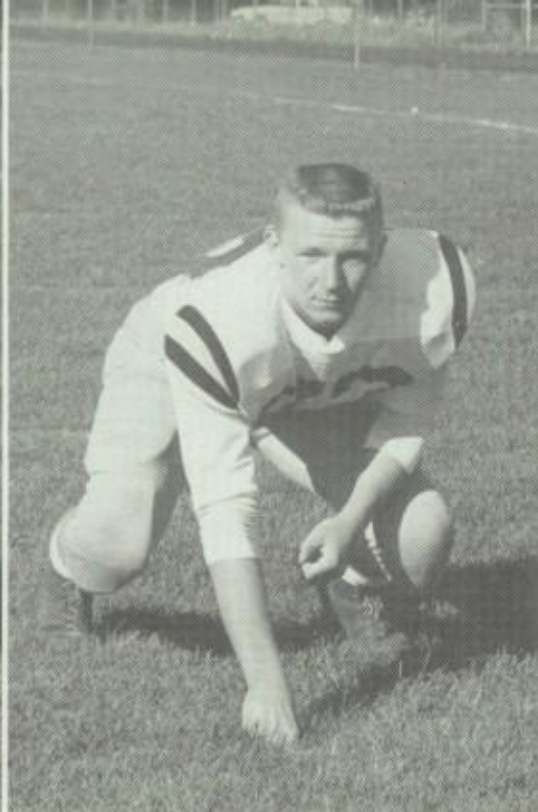

The boys appreciated the assistance of "Doc" Schroeder, whose medical services made it possible for many of them to play. Our appreciation goes to Mr. George Yursky, Mr. Roland Schleusener, Mr. Arthur Blecke, and Mr. Gary Seevers, the coaches, along with Captain Dale Schumacher, the team, and the managers, who brought the first undisputed championship to Luther.

FROSH-SOPH FOOTBALL TEAM

Our "Wildkits" ended this season with five victories and one defeat. Our first defeat in four years was to the Walther "Broncos". The "Wildkits" scored 107 points, which is more than twice as many as the opponents' 44 points.

The leading ground gainer was Don Johnson. He gained 498 yards and made 43 points.

Art Karsel was voted "Most Improved Player". The captain of the '59 team was Hans Forssell. The co-captains for next season will be Mark Dassler and Carlton Lohrentz.

The Freshmen, Sophomores, and the entire school are proud of the team's record, and extend congratulations to the coaches, Mr. Blecke and Mr. Berning, Captain Hans Forssell, the team, and the managers.

FROSH-SOPH BASKETBALL

With sophomore Paul Wegehaupt as captain, our Frosh-Soph Basketball team made a good showing in the 1959-1960 season. The team made a total of 457 points to the opponents' 427. Hans Forssell was voted the most valuable player by his team and also set a new school record for rebounds at 204. The high scorer was Paul Wegehaupt with a total of 142 points.

FRESHMAN BASKETBALL

The fighting spirit of the team was unmistakably demonstrated as they chalked up a total of six victories and no defeats under the direction of Coach Roland Schleusener. Carl Lohrentz was the high scorer with 62 points and Bob Walker followed second in line with 54 points. The boys did not receive awards for their efforts but they look forward to representing Luther on the Frosh-Soph or Varsity teams next season.

This year the Wildcats brought us many reasons to be proud of them, in addition to many moments of excitement and tension. Several new records were set by the team as a whole and by individuals. The boys had 20 wins and 5 losses, which is the most number of victories for any single season. A new season point record was also set with a team total of 1729 points. A new record for rebounds was also set with 1155 rebounds. Jerry Heidlauf scored the most points for a single game when he made 33 points in the game against Schurz. Dick Wegehaupt scored 419 points for the season, which also broke the old record. Herbie Lienenbrugger set a new record for the most rebounds for one season with 417.

The team took 2nd place in the P.S.L.

The Private School League Tournament also brought the Wildcats a 2nd place trophy and a bright end to an exciting season.

Although spring came late this year, as soon as the first robin appeared and the temperature went above freezing, these boys could be seen outside with their gloves, baseballs, and bats. The returning seniors were Dick Wegehaupt and Bill Kestler. They entered the season as defending co-champs. There were two double-headers, against Luther South and Milwaukee, the latter a twilight game. This year a new system was introduced; the teams were divided into North and South divisions, and the winners of these two divisions played each other for the championship.

TRACK

The cindermen got a late start this year, due to an over-abundance of snow. However, they worked diligently indoors under the pressure and prodding of their coaches, Mr. Melvin Everly and Mr. Donald Offermann, and their captain, Dave Fleischer, to get in condition for their opening meet against University High on April 8th. Altogether there were nine meets. With nineteen Lettermen returning from last year, they hoped to recapture the P.S.L. Championship, which they have won

successively for the past two years. It is important to note that the Varsity and Frosh-Soph teams compete separately.

In the Lutheran Invitational, which is sponsored by the Booster Club, two new trophies were awarded. They were the Duensing High Jump and the Steinberg Discus. Stu Popp, who is affiliated with the Jarvis and White Athletic Company, donated the trophies.

SWIMMING

The Poolcats made a splashing victory by taking third place in the Private School League. During their four meets they were awarded twelve ribbons. In order to compensate for Luther's lack of a pool, the boys ran laps around the gym, did numerous exercises, and had a few workouts in the pool at the St. Lawrence Hotel. Their success is attributed to the fine coaching of Mr. David Kolzow and their captain, Bill Weber.

TENNIS

The tennis team had a total of nine league meets this season. A new addition was an automatic server so that the boys didn't have to chase after the balls. Their coach, Rev. W. Wehmeier, pressed the team so that they always tried to put forth their best efforts.

EDITOR'S BACKWORD

A word from the backward Editor:

Whenever someone attempts to express the parting thoughts of a yearbook staff, he or she is charged with being corny and sentimental. That was once my philosophy too, but after learning to know these 128 pages as well as my own name, I believe that the right to sentimentalize has been earned.

Morning has arrived. Our eyelids are like lead — Heavy; our minds like the middle of a doughnut — Empty; and our LOG is finished — Thank goodness.

This page probably could have been put to better use, but we used it for this purpose anyway. Although I know what I have to say, it's difficult to express it in black on white. It would be impossible at this point to begin to thank each one of you who has helped in the dozens of areas necessary for the publication of this book, or to express our humble appreciation for the many donations we received during the Patron Drive. It would probably be just as great a job to apologize to each one of you whom we have slighted or in any way offended, although I hope not.

A special thanks goes to Mr. Norman Koenig and Mr. Ernie Rubak of the Norman King Printing Company, to the Wallinger Studios, and to Mr. Walter Hartkopf, our advisor. I'll never forget the times I've rushed up to the office, thinking the whole world was about to fall in, only to find Mr. Hartkopf with a simple solution.

As you may or may not know, any yearbook staff just starting out doesn't know from beans about what they're doing compared to what they know when it's over. Maybe that's why I hate to sit here writing the final bit of copy. I can see now, better than ever, some of the many mistakes we've made, but there's nothing much that can be done; it's over and gone.

But, in all seriousness, the members of the Log staff hope you have enjoyed your '60 LOG as much as we have enjoyed compiling it for you.

Louie;

To o swell guys
from a sweller guy.

It's been fun knowing
you this year, in this
and in some classes. I hope
that next year will be better.
Congratulations on making the
Cappella Choir. Good luck
in two remaining years at Luther

Way Karvathy
Esquire

Dear Louis,
lots of luck in the
future. May God
bless and keep you.
Love, Ingrid Ekert

Best wishes to a
great guy, in our
great "meat ball gym
class of the year."
Randy

Best of luck to a great
guy at L. H. N. We had some
hell wild times in gym "The
meat ball class of the year".
Carl Kowsky

Good Luck to a nice guy,
The Lord bless you and
helps you in all you do.
Bob Bauschke
